## 12. Attitude to Investment Risk

- CONSERVATIVE**  
You prefer not to invest in the stock market and are prepared to accept potentially lower returns from investments where your capital is not at risk.
- CAUTIOUS**  
You prefer not to invest directly in the stock market in the shorter term, but are prepared to accept a relatively low level of risk on investments over the longer term, in order to achieve potentially higher returns.
- BALANCED**  
You are prepared to invest in equity based assets, where the risk is spread across a variety of investments and the fund is managed on your behalf, with the aim of potentially higher returns.
- ADVENTUROUS**  
You are happy to invest predominantly in equity based assets, where the risk is spread across a variety of investments (some of which are “specialist” investments) and the fund is managed on your behalf, with the aim of potentially higher returns, accepting the increased risk of a loss on your capital.
- SPECULATIVE**  
You are happy to invest in individual equities, with the aim of potentially higher returns, accepting the increased risk of a loss on your capital.

Please indicate your attitude to risk, under each category.
